# What's the Chartered Teacher Programme?

## 15-month programme

recognising the knowledge, skills and behaviours of excellent teachers

## Showcase

your subject knowledge, understanding of pedagogy, assessment, and excellent classroom practice

## Demonstrates a commitment

to professional growth, collaboration and development

**"The Chartered Teacher Programme has transformed my practice. It's not only given me the confidence to implement new teaching strategies but also provided me with a greater understanding of educational research. I cannot wait to see the long-term results!"**

*Paul, Head of History and Chartered Teacher*
